

Vel-Key Products

Wall Cabinets

Sturdy metal cabinets offer a wall-mounted approach for storing up to 528 key tags on 24 Vel-Key files.

Vel-Key Files

Sturdy, plastic panel holds up to 22 Velcro-backed key tags on two horizontal Velcro strips. They can be stored in filing cabinets, mounted on the wall, or bound in 3-ring binders.

Portable Key Organizer

VelKey Files also fit conveniently in Portable Key Organizers, light-weight plastic filing boxes that can hold up to 10 Vel-Key files, or 220 key tags, in hanging folders.

Zipper Case

A handsome solution for organizing and keeping track of your keys while on the go. Don't waste anymore time looking for lost keys or trying to find the right one. Organize them by name in our light-weight durable and professional-looking carrying cases.

Key Cassette

A blockbuster approach for hiding your keys. Thought you ran out of clever places to store and hide your extra keys? These "faux" movie cassettes are so clever a hiding place, you yourself may forget where you put your keys!

Take-A-Part Tags

Two key tags are affixed to one another using the Velcro hook and looped technique; it's what makes Velcro stick! So, if you have to leave your car keys with the garage, just pull it apart from your house key tag and drop it off.
