

## Locksets

Arrow interchangeable core locking hardware offers unequalled convenience and versatility. Grade 1 and 2 levers and knobs as well as auxiliary locks and padlocks, provide virtually limitless specification options. Mortise and rim cylinder housings enable any Arrow keyed mortise lock, exit alarm and panic device to be part of our interchangeable core offering. Translated, Arrow interchangeable core products are available in a wide variety of products designed to meet most any requirement. LFIC (Large format Interchangeable Core) levers available.
